

Please amend the following paragraph beginning at page 25, line 2 to read as

follows:

*A2*  
Additionally, since an AC of the secondary output power source is obtained by connecting a terminal of a transformer to the neutral point of an AC motor, a main inverter or a primary output power source is not affected by using the secondary output power source.

**REMARKS**

No new matter has been added. Entry of the Preliminary Amendment is respectfully requested pursuant to C.F.R. § 1.115(b)(1).

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.
